We are happy to invite you to our event benefitting the work of the Southern Sussex Rotary Club. Your Rotary Club is focused on many issues in our community. We work to celebrate local heroes every Memorial Day with 'Flags for Heroes', support our local food banks, sponsor scholarships for students, and MUCH more. None of this work could be done without support from our neighbors and community.

This year, we are increasing our fundraising efforts to include this event in order to give more to our community! Please consider becoming a sponsor for this event and/or attending with your neighbors!
